Overview

PCA Zones

PCA the largest single-marque car club in the world

The Club's History

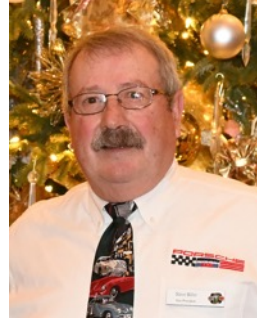

HISTORY OF THE PORSCHE CLUB OF AMERICA AND OF THE OREGON REGION PCA

Bill Scholar's first Porsche was a 1953 356 Coupe. Partly out of frustration at having no organization to turn to with questions about the car, he invited a small group of Porsche owners to his home on February 5, 1955. They made plans to get together from time to time throughout the remainder of that year to do what Porsche pushers do best- talk about, look at, work on, drive, etc.- their cars. They finally decided to form a club in September, 1955, and the **first official meeting of the Porsche Club of**

America was held at Blackie's Grill in Alexandria, Virginia. Bill Scholar was elected as its first President by the 12 individuals in attendance. The original 12 became 64, and also became the Potomac Region. As membership grew, new regions began forming all across the United States. The annual PCA meetings, "known as a Parade", are hosted by a different region each year. The Oregon Region hosted Parades in 1980 and 1995 and 2006.

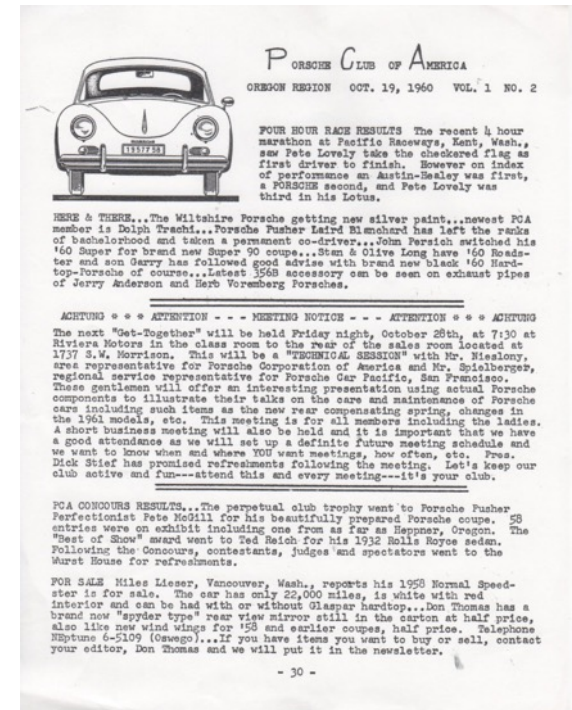

Steve Miller

The Oregon Region Porsche Club of America (ORPCA) was born as a result of splitting off from what was then known as the Washington Region (now known as the Pacific Northwest Region). On July 24, 1960, the Oregon Region's first meeting was held at the Lake Grove home of Mr. and Mrs. Dolph Trachi. There were 32 members. The first organized event was a Concours d'Elegance held on September 25, 1960. September also marked the first appearance of the Anzeiger, the Region's newsletter.

The Oregon Region celebrated its 50th Anniversary in September 2010. As of end of 2018 we have over 1000 members and a wide variety of 80+ events per year designed to appeal to a very diverse membership. One thing has remained constant, "enthusiasm for the marque and pride in the enthusiasts themselves".

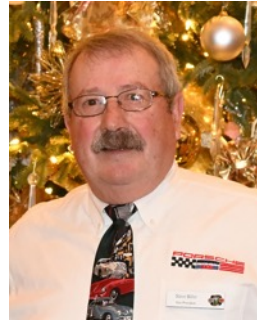

VISION STATEMENT

Porsche has no equal, and since 1960, the Oregon Region Porsche Club of America has catered to the particular needs and interests of the Porsche owner. Our main vision is to heighten the Porsche owning and driving experiences, which we accomplish by striving for these objectives:

- To promote the highest standards of courtesy and safety on the roads
- To enjoy and share good will and fellowship engendered by owning a Porsche
- To maintain the highest standards of operation and performance of the marque
- To gather for social events, drives and shows with other Porsche enthusiasts who share our passion for the marque
- To establish mutually beneficial relationships with the local Porsche dealers and other quality automotive service sources
- To establish a presence in the local car community by attending events, such as Cars & Coffee, Corrals, local races at PIR and Car Shows
- To exchange ideas with other regional Porsche Clubs throughout the USA
- To establish mutually cooperative relationships with other sports car clubs

MEMBERS FIRST

Our club is dedicated to serving its members.

- We will work to create fun and exciting activities for our members to enjoy.
- We will strive to negotiate favorable membership discounts with local area businesses whenever possible.
- We will encourage our members to set a positive example in the local car community.
- We publish a monthly online Club Magazine, the “Anzeiger” (11 times per year).
- We update our members weekly via club email on club activities and club news.

Tours - Overview

Tours Director

2020 Outgoing - Eric Lewis

2021 Incoming - Kurt Fuerstenau

ORPCA Board Liaison

Larry Hannan (PastPresident@OregonPCA.org)

What is a Tour?

Any ORPCA drive in which the start point, end point and directions are provided to the participants for getting from the start point to the end point. Tours are not races! All traffic laws are to be obeyed. Tours are driven as a group with a maximum of twelve (12) vehicles per group. Each group has a Lead and Sweep vehicle.

Eric Lewis

Tour Director

tours@oregonpca.org

Kurt Fuerstenau

2021 Tour Director

Tours - Overview

What are the tour types?

- Arrive & Drives (A&D)
- Mid-week Casual Drives (MCD)
- One Day Tours
- Overnight Tours
- Multi-day tours
- SUV Drives – sometimes include high vehicle clearance requirements

When do the tours occur?

- A&D – Second Saturday of each month, May through October
- MCD – Tues/Wed/Thur in the third full week of the month, April through October
- SUV Drives – Fourth Saturday of each month, March through October
- All other tours are scheduled by the Tour organizer.

Eric Lewis

Tour Director

tours@oregonpca.org

Kurt Fuerstenau

2021 Tour Director

Tours - Overview

2021 Scheduled Multi-day Tours

- April 4/23 – 4/24 – Walla Walla Wine Tour
- June 6/16 – 6/20 – Northwest Passage
- September 9/16 - 9/19 – Crater Lake Tour
- June TBA – Maryhill Loops Tour

ORPCA Tours Class

- ORPCA members volunteer to organize and lead all ORPCA tours. The tours only happen when members volunteer to lead a tour. If you would like to lead a tour, January and May of 2021 a four (4) hour tour class will be held to teach members how to lead a tour.
- The ORPCA Tours Manual is covered in the Tours Class. It is available for anyone that would like to lead a tour. It includes everything that a potential Tour Leader needs to know about designing and lead a tour.

ORPCA Tours Calendar

Watch the OregonPCA.org website for a complete calendar including tours. The Wednesday morning ORPCA Email Blast also contains Tour announcements.

Proposed air-cooled drives and tech sessions

- Proposal to orchestrate and lead air-cooled car drives and tech sessions was approved by the ORPCA Board in early 2020. The issues around Covid19 and associated restrictions prevented implementation.
- The goal is to provide fun drives and activities for those with Porsches manufactured between 1950 and 1998: 356 to 993s.
- The drives are casual in nature, not competitive. Enthusiastic pace but no racing.
- The proposed tech sessions will be designed to help participants keep their cars operational.
 - How to perform simple maintenance.
 - What parts to take on long trips.
 - Who provides technical services in our geographic area.

Joe Kelly

Driver Extraordinaire

joekelly@earthlink.net

A Buddy Drive Offer

My Porsche enjoyment, some say passion, is to drive my cars as often as I can. I often go solo as well as buddy drives with like minded ORPCA club members. The drives are a minimum of 50 miles over nice Northwest sports car roads.

- I'm fully retired and thus can do a drive any day of the week. Based on experience weekdays are more conducive to enjoyable rides without recreational traffic congestion.
- I go rain or shine but avoid winter weather with snow/ice.
- **My offer is this:** If you are interested in exercising your Porsche you are invited to join me. I live in NW Portland but can meet you at a prescribed location and time. This can be especially enjoyable if you are new to our region and geographic area.
- If you want to give it a try, contact me via email and include your cell number. I will call you back and we can talk about cars, roads, your specific interests as well as mine.

Joe Kelly

Driver Extraordinaire

joekelly@earthlink.net

Socials

Here are the currently scheduled social events for 2021. Due to current COVID restrictions, each date will be evaluated at the appropriate time in order to meet state and local requirements.

- January Awards Dinner: Bargarten Bavarian Social Haus, Beaverton

Social Dinners: (3rd Wednesday 6pm-8pm)

- February - Los Potrillos, Camas
- March - The Oregon Golf Club, West Linn
- April - The Wild Hare Saloon, Oregon City
- May - Ristorante di Pompello, Troutdale
- June-September - outdoor venues

Quarterly Mixers: (Sunday, 3pm-5pm)

Valentine's Special: February 14 - Front Row, Hillsboro

Note: Balance of the year currently being planned by social committee
Continue to check the website for current information.

Phyllis Thiemann Director

socialevents@oregonpca.org

Autocross

- It's a solo event..
- It's timed event..
- It's based on classes of cars..
- It's on a closed course that demands attention from the driver..
- It's speeds are kept under 60 mph
- It's a great way to learn to drive your Porsche in a Safe Environment !
