## ANZEIGER EVENT AND COVER PHOTOS HOW TO'S

### EVENT PHOTOS

- Photos can be vertical or horizontal.
- When shooting, there should be a comfortable margin around all edges of the focal point (most often, a car). **Do NOT crop!** We will crop your photo to the best proportion for the page. *Photos with the edge of a car clipped off is the most common photo error.*

### COVER PHOTOS

- The cover "bleeds" off the edges, leave a good margin

on every side of the focal point (most often, a car)

- Make sure there is nothing significant in the mast-head area. Vertical photos are best for cover photo options.

### ALL PHOTOS

- Shoot and send the highest resolution possible.
- Avoid capturing unwanted reflections or distracting backgrounds.
- All people in the image should be facing the camera.

Send an email to [anzeigereditor@oregonpca.org](mailto:anzeigereditor@oregonpca.org) for directions to post your pictures.

## PRESIDENT'S MESSAGE

**Carole Hedstrom, President**

# Showing Gratitude for the Generosity and Commitment of Our Sponsors

---

*Our Region would not be entering it's 66th year if not for the generosity and support of local businesses and Porsche enthusiasts throughout the decades.*

---

**E**ach month of the ORPCA year brings opportunities for adventure, camaraderie, and chances to celebrate the cars we love, November was no different, but also automatically slips many of us into gratitude mode. The overlap – celebrating the cars and people we love with what we are grateful for seem obvious. Much of what our Region accomplishes is due to the generosity and commitment of our sponsors. Many of our sponsors and advertisers have supported the Club for years, many years. This year we have been fortunate to have picked up a couple of new advertisers. These newcomers found us either due to our enhanced social media presence (huge shout out to the fabulous Jeannine Downey for her work on our behalf!) or from members who own businesses and view supporting the Club as an opportunity to both support something they enjoy while also reaching a great audience for their products or services.

Advertising and sponsorships allow us to host a wide array of events but also bring unique perks for our members throughout the year. The perks include

discounts and private tours of garages and tech sessions to personalized knowledge from leaders in their field. Unsurprisingly, our sponsors fall mainly into some sort of automotive category; like mechanics and maintenance or enhancement of cars, while others fall into bigger life categories such as finance and healthcare. All are important and valued and I want to thank them all. Our Region would not be entering it's 66th year if not for the generosity and support of local businesses and Porsche enthusiasts throughout the decades.

Please take a look at our sponsors here in the *Anzeiger*, check out their websites, see what they have to offer and consider supporting them when you find yourself in the market for any of their services. The Region is a community and that community includes those who support our passions. It's the giving time of year, so let's all give a big thank you to our sponsors, advertisers and trusted resources that are part of ORPCA.

As always, feel free to contact me with questions or suggestions. [president@oregonpca.org](mailto:president@oregonpca.org). Let's Drive! ■

## FROM THE VICE-PRESIDENT **Daniel Morris**

# Club Matters: Recipes for our Continued Success

---

*We are a  
community.  
Like any  
good  
community,  
we support  
one another  
when times  
are tough  
and celebrate  
together when  
life is good.*

---

**W**e are leaders. Our Region hosts more tours than nearly any other PCA Region.

Our social events routinely fill up. Our multiday adventures are the kind other Regions only wish they could create.

We are fortunate - fortunate to live among some of the most beautiful and diverse roads anywhere, and fortunate to have members who give their time and energy to every corner of our club: social events, leadership, finance, tours, communications, and now our new Community Engagement Committee.

But while we are, at heart, a car club, we are also something more. We are a community. Like any good community, we support one another when times are tough and celebrate together when life is good. We share birthdays, anniversaries, milestones, and memories. Like a big family, we laugh, drive, and occasionally cry together. We are one—and we are for real.

In today's connected world, our social media presence matters more than ever. When I can't attend an event, the photos and reels on Facebook and Instagram remind me

of the joy and camaraderie that define this club. Those clips - especially the music-backed reels - are mesmerizing.

But like everything beautiful, they take effort. Our social media presence depends on volunteers who give their time, talent, and creativity. That effort comes with a cost: time commitment, attention, and the risk of burnout.

Part of my role as Vice President is to help protect our volunteers - to make sure no one is over-tapped and that we build new support where it's needed most.

Here's where you come in. I'm asking for a few more hands to help with social-media content - capturing photos, short clips, or posts that share the fun of our drives and events.

We'll provide some simple skill-building sessions so you can learn how to create (or at least contribute) basic reels, posts, and promotions. If each of us does just a little, everyone benefits. You'll help lighten the load and keep our storytellers enjoying the events, not just working them.

Go ahead—give it a try!

You may also know that our Region maintains a historic fund balance—

money originally earned when we hosted two PCA Parades. For many years, those funds supported scholarships for automotive programs at three local community colleges.

Earlier this year, after thoughtful discussion, the Board decided to end that program and form a new Community Action Committee (CAC) to guide future giving. The CAC's purpose is to identify ways our Region can give back directly to the communities we live in and drive through.

Current ideas include holiday toy and support programs, classroom or equipment grants for local schools, and small community grants along our favorite routes. But we know there are more possibilities - and we'd love to

hear your ideas.

Your creativity matters. Your insight matters. Help us deploy our charitable funds in ways that reflect the goodness of our Region and our gratitude to the communities that host our drives.

As the holiday season arrives, I hope it brings peace, connection, and joy to you and your family. Remember - ORPCA is part of your extended community.

Our calendar remains full of great drives and social gatherings, and I look forward to seeing you soon - on the road, at the table, or both.

You can always reach me at [vicepresident@oregonpca.org](mailto:vicepresident@oregonpca.org). ■

## ZONE 6 UPDATE John P Sommerwerck, Zone 6 Representative

# Circuit of the Americas (COTA)

**A**s I wind down my term as Zone 6 Representative, I have been reflecting on what a breath of offerings are available to PCA members. As a zone rep I have participated in almost all; socials, driving tours, Parade, Treffen, Treffen at Sea, autocross (as a volunteer), and this past weekend I volunteered at the PCA Club Race at The Circuit of the Americas (COTA). Our

PCA has continued to grow and thrive. We now have 149 – the creation of Greater Columbia Region was the 149th. While there are over 170,000 members yet we retain, with PCA's region structure, a smaller feel.

My successor as Zone 6 Rep has been named – Brad Pape from the BC Interior region will be the Zone 6 Rep starting January 1st.

Have you experienced COTA as a spectator or a racer? My visit this past weekend was my first. COTA is quite the track and PCA Club Racing in conjunction with the local regions put on quite an event. This was the final race of the 2025 season and over ninety racers registered in two run groups for

a two-day event. Providing yet another opportunity for PCA'rs to enjoy their vehicles. It was something to roam the pits where F1 teams work and go to the podium balcony where the race winners receive their trophies. Did you know that select club races are live streamed? To see a live stream recording go to: <https://www.youtube.com/live/SarZkxnlQg>

For those long-range planners in the audience, I would note; Porsche **Parade 2026** will be held in Lake Placid, NY starting June 14th, 2026. Registration opens in January 2026. **Spring 2026 Treffen** will be held at the Montage Palmetto Bluff (Bluffton, SC) March 29th to April 2nd. Event registration opens December 18th at 3 PM EST. **2026 Treffen at Sea** Pacific Wine Country cruise will depart from Vancouver, BC on September 19th, 2026. **Parade 2027** will be held in Boise, ID, starting July 11th.

Nancy and my Zone 6 region visit plans are complete. We have visited ten regions so far and have plans to visit the last one in December. Zone 6 signature region events can be found [PCA Zone 6 - The Pacific NW Regions](#). Zone 6 abounds in great roads to drive and great automotive venues.

Stay healthy and we will see you in the Zone! ■
