

Oregon PCA – Covid-19 Guidance – Updated February 13, 2021

Oregon

New Framework for COVID-19 restrictions

In early December, Oregon Governor Kate Brown announced a new framework for COVID-19 restrictions. Counties are placed into one of four categories based on their COVID-19 spread: extreme risk, high risk, moderate risk and lower risk. Each risk category comes with different restrictions, with more limitations for counties in higher risk levels.

As of Friday, February 12, Multnomah, Washington and Clackamas counties have been moved to the high risk level.

The high risk level restrictions include:

- Indoor dining allowed. Takeout highly recommended. Indoor capacity is not to exceed 25% maximum occupancy or 50 people, whichever is smaller.
- Outdoor dining allowed. Outdoor capacity: 75 people maximum. Indoor and outdoor seating: 6 people per party and per table maximum, limit 2 households.
- Indoor and outdoor social gatherings are limited to 6 people from outside your household. Both indoor and outdoor gatherings are limited to 2 households.
- All residents are asked to wear a mask all the time, both indoors and outdoors, except when eating and drinking. Limit gatherings to small groups. Keep at least six feet away from others outside your household.

Portland International Raceway is approved for a restricted opening.

For more information on your county or other activities go to this website: [Coronavirus.oregon.gov: Living with COVID-19 : State of Oregon](https://coronavirus.oregon.gov/Living-with-COVID-19-State-of-Oregon)

Washington

The phased reopening plan currently has 2 phases: Phase 1 and 2.

The counties in our club region are in Phase 2. These include Clark, Cowlitz, and Skamania counties. Here is the current guidance for Phase 2:

- Indoor dining is available at 25% capacity. Outdoor dining is available. Maximum 6 people per table and limit of 2 households per table.
- Outdoor social gatherings shall be limited to 15 people from outside your household. Indoor social gatherings are limited to 5 people from outside your household. Both indoor and outdoor are limited to 2 households.
- Face coverings are required to be worn in public spaces and shared spaces, both indoors and outdoors except when eating or drinking. Keep at least six feet away from others outside your household.

What this means to Oregon PCA:

Overall, if we are careful with the number of people in our events, we can have limited events.

Autocross is opening as part of the PIR restricted openings.

Arrive and Drives, Mid-week Casual Drives, Tours. Options will depend on the phase of the county for the starting location and the finish plus:

- Attendees must register ahead of time and complete all required forms (Communicable Disease and Release and Waiver of Liability).

- There will be strict social distancing on meet-up, drivers meeting, rest-stops and the end of drive.
- Face coverings are required outside of the car.
- At the end of the drive, find a large outdoor area and do a bring your own "Picnic-style" gathering and bring your own chairs and food, with strict social distancing. Masks would be allowed to come off to eat.

Monthly Socials and Dinners, Quarterly Mixers, or other social events can be held subject to the limitations set by the phased opening guidelines in Oregon and Washington and the ORPCA Event Participation Guidelines. Options will depend on the location and the phase that location is in plus:

- Attendees must register ahead of time and complete have a Communicable Disease form on file or provide one before the start of the event.
- We find an appropriate location depending on the size of the group and location of the event.
- We enforce strict social distancing and wearing face coverings except when eating.
